

Leupold 6.5-20x50 VX-III Long Range Scope, Leupold 6.5-20x50 VX-III Long Range Scope The VX-III delivers legendary performance in an incredibly tough and lightweight package. It's the perfect workhorse for taking mid to long-range shots from the firing line. This is an awesome scope in very good condition. Crystal clear sights and the reticule is a small centre dot. Reason for selling: I got a bigger one ;-)
