Additional Information: The CZ 75 TS 9mm Parabellum Semi Auto is a top of the range sport special for the IPSC Standard Division with a hand-fitted barrel for significantly increasing its service life. It introduces a new level of refinement. Distinctive checkering on the pistol grip, together with an undercut trigger guard and deep beavertail, improve overall ergonomics and control. Above all, new features include a modified safety set (wide safety on the left and a flat safety on

the right), enlarged aluminum magazine release and an aluminum trigger. After that, the included 11 lbs. (shorter) and 13 lbs. (longer) main springs, together with the 13 lbs. (shorter) and 16 lbs. (longer) recoil springs, allow for fine-tuning firearm performance in accordance with your personal preferences.
