Listing details

Title: Wanted: Deactivated Mauser C96 or Lebel Model 1886

Price: R 1,234.00

Model: C96

Condition: Not Working

Description: Looking to buy deactivated firearms in good to decent condition. I'll also be interested in most firearms dating from, or before, WW1. If you have one you'd like to sell, please contact me on Whatsapp or email with pictures and details, and I'll get back to you as soon as I can.

Note: I will unfortunately not be interested in deactivated Lee Enfields,

Martini Henrys, Snider
Enfields or Guedes rifles,
as I already have those in
my collection. Exceptions
can be made if they are of
a unique variety.
