Additional
Information:

City Guns is one of the oldest Firearms & Ammunition Dealerships in South Africa, having been established in 1962. Proudly serving private, commercial, nature conservation, law enforcement and government end-users for the past 50 years through retail, wholesale and imports.

Centrally situated within the Cape Town CBD since conception at its familiar premises at 57 Hout Street, the shop has become a familiar destination to those in search of old-world service and helpful staff. Combining older experience with a “can do” attitude, instruction and advise regarding modern firearms and components, City Guns prides itself on giving value for money service with the latest in Hunting, Optics, Self Defense, Sport Shooting and Tactical Gear. A “Turn Key” experience means that City Guns guides the customer towards the right end-goal from the moment they walk in the door to the time they

collect the firearm.

We are home to a number of world famous brands and service the local market faithfully in partnership with Mossberg, Tisas, Mechanix Wear, Surefire, Breakthrough Technologies, Magpul and TacShield. City Guns are proud to service both the South African Public and Services and look forward to exceeding the usual firearm and shooting-gear customer's expectations.
