

PJK - 9mm High Power Combat Model, This Hungarian PJK-9HP FEG – Budapest: semi automatic pistol is in good clean condition and looks stunning. The weapon has combat model features including Pachmayr grips, quick eject magazine, adjustable rear site and is nickel plated. It comes with two magazines (one silver & one black) to match the look of the weapon as well as clip on holster and an old school basic cleaning kit. As far as I know this weapon is one of only two but cannot confirm it. Please see attached photos.
