Additional
Information:

This is a package sale of my USP 9mm fullsize. It comes with the following items:

- 7 factory magazines
- Minotaur MTAC hybrid leather/kydex IWB holster, very comfortable
- IWI OWB paddle holster, nice for IDPA
- IWI magazine paddle holder, for Glock, but fits HK magazines fine
- Original case with factory target and cleaning kit for USP

The gun used to be my carry gun and I used it in IDPA since 2014. Approximately 1500 rounds have been through the pistol.
