

Hawke Sidewinder 30SF 4-16x50 SF: SR Pro II, The scope is in exceptional, brand new condition! I bought the scope for my PCP air rifle but noticed that it will not fit correctly. I bought the scope new and it comes with a full lifetime guarantee (Hawke has excellent after sales service in S.A.). This scope is both a rifle and pellet gun scope. This is the new (Mark 2) version just launched in S.A. It has the luminated Pro II reticle (refer to attached pictures). This version has the exposed locking turrets with 1/10 MRAD on elevation. The new price is approx. R10500. <https://www.hawkeoptics.com/sidewinder-30-sf-4-16x50-sr-pro-ii.html>
