

Swarovski Optik Z5 3.5-18X44 P (BT) L, Swarovski Optik Z5 3.5-18X44 P (BT) L THE MOUNTAIN HUNTER When hunting in the mountains on rough terrain or when long-range shooting on plains, you can guarantee that the Z5 3.5-18x44 P (BT) will be your trusty companion. The outstanding features offered by this 1-inch rifle scope are crystal-clear optics, the reliable sturdy mechanical design, and lateral parallax correction. Z5 3.5-18x44 P BT L The lightweight 1-inch Z5 3.5-18x44 P BT L rifle scope demonstrates its strengths in particular with accurate long-range shots in the mountains or on rough terrain. Lateral parallel correction guarantees a faultless image, no matter how far away you are. The ballistic turret can be separately adjusted to your personal requirements, allowing you to stay on target at different distances.
