

LEUPOLD VX1 3-9X40 LR DUPLEX, I have this beautiful Leupold 3-9x40 LR duplex for sale. There are literally no scratches on this scope and comes with lense covers, the box and all of the necessary books explaining how the scope and reticle works. The scope is spotless with no ring / mount marks. The only reason for selling is due to an upgrade. I however have no use for the scope anymore. The scope can easily be used up to 300 meters with the milldots on the reticle. Please email me anytime if you have more questions.
