Additional Information: Hi Everyone

I purchased a new CZ P07 from Wildman Hunting Cape Gate quite some time ago.

I have just not gotten around to completing the licensing process etc, so instead of having the firearm just staying there, I'm rather selling it on.

Brand new unused, never been removed off site.

Bought the firearm with an additional magazine (so 3 in total) as well as a strap on body holster.

I paid R9500 for the lot
back then, so just looking
to get my money back.

I don't know what the
procedures are, but can't
be difficult as the firearm
has never transferred
licensed before. I do have
all the original paperwork
at home though.

If you have any questions,
I will gladly help as far as
I can.

Please excuse the generic
pic/photo, but I can't seem
to find the only photo I
took of the firearm when I
purchased it. It is exactly
the same though.

Kind Regards,

Nico
