

Swarovski Z5 5-25x52 (BRX), Versatile - The Z5 is a 1-inch rifle scope with 5x zoom – an innovative combination. Due to its high magnification and its large field of view, it is particularly versatile and eminently suitable for various types of hunting. Optical Performance - This rifle scope delivers exceptional optical performance that have only rarely been achieved previously by any other rifle scope of the 30 mm class. Slim and Compact - The slim, compact Z5 rifle scopes are designed for harsh everyday hunting. Robust and Reliable - The Z5 is a reliable and robust companion, which makes it suitable to many hunting applications.
