## Listing details

Title: Beretta CX4 storm 9mm Para standard

Price: R 14,995.00

Make: Beretta

Model: CX4

Calibre: 9mm Para

Condition: Brand New

Description: Easy to use, ultra-reliable and low-recoil, it has been adopted by several police agencies across the US, while its versatility and accessorization options have made it a favourite of recreational shooters. Whether you use it for home-defence, varminting, competition or training, the CX4 will deliver what it promises.  
We stock 2 basic models, standard open sight and

one topped with a red dot sight.  
Because they are 9mmPara they take standard Beretta PX4 magazines.  
So if you own a Beretta PX4 this carbine will make an excellent addition to your bug out gear as you now have a handgun and a full length semi auto carbine combo that not only shares the same ammunition but also the same magazines simplifying ammo storage and procurement.
